Our 1969 Corvette Assembly Instruction Manual is an exact reprint of the assembly manuals used at the Corvette Assembly Plant. Actual on-line notations have been included for factory-original, correct assembly information.

1969 Corvette Assembly Instruction Manual

This is by far the best version of the assembly manual for the 1969 Corvette. I have purchased and have also seen the other version that utilize a loose-leaf folder offered by the major Corvette specialty vendors. Those are blurry and also very bulky. This version is an actual book with schematics that are clear and easy to read.
