Curtis (Editor), Jay B. Labov (Editor), Meryl W. Bertenthal (Editor), Jerry P. Gollub (Editor) & 5 more.

Learning and Understanding: Improving Advanced Study of ...

Guidance on how to achieve learning with understanding is grounded in seven research-based principles of human learning that are presented below (see Box 6-1). 1 In Chapter 7, these principles are used as the framework for the design of curricula, instruction, and assessments for advanced study—three facets of classroom activity that, when skillfully orchestrated by the teacher, jointly promote learning with understanding. These principles also serve as the foundation for the design of ...
