Synthetic Oil | Royal Purple

Well the shifting in my transmission is really getting to me so I have decided to swap change the stock fluid(24,200mi) for Royal Purple. I will be heading down to Precision Tuning for the swap. I was originally going to do Red Line Shockproof but I called the guys at Precision and they said that from their experience, they like the Royal Purple.

Royal Purple Gear Oil going in | ClubWRX Forum

One is rated for 75W, 80W, 40, 10W40, and 15W40 — it's both a gear oil and an engine oil. They can also handle a much wider span of temperatures, for example, from -40°F to 300°F. It sounds confusing, but as long as it covers the demands of your manual transmission, it's all good! Manual transmission fluid prices
