Ravenhill wrote many books but Why Revival Tarries is considered his best and has been an international best-seller for over 40 years. Ravenhill's writing is weighty with a gravitas that modern Christian writers lack. He is eminently quotable, each sentence of this book feels as if it were placed on a scale before being written down.

Why Revival Tarries by Leonard Ravenhill is a collection of sermons and articles. The great thing about them is they call us to prayer and the pursuit of holiness. There are two things I didn't care for. 1. He seems to place all the responsibility on the shoulders of preachers, rather than on each and every believer.
